

# How to Join Waitlist on Discord for Students

## Step 1: Connect your voice in the waiting room.

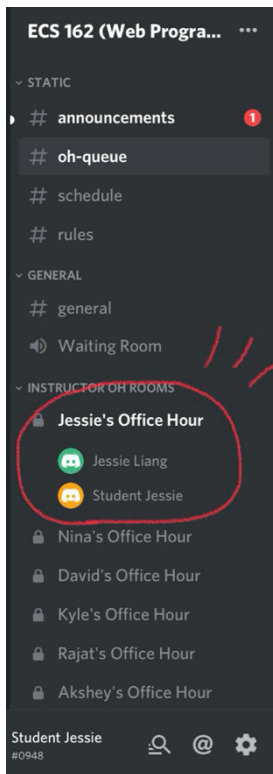

You will see the sounds on icon or your name under the waiting room.

## Step 2: Click on #oh-queue

You will be brought to the office hour waitlist page. You can then type **/eq** to enter queue or **/lq** to leave queue.

Your name will appear in the queue table with your current position.

### Step 3: Connected! 😊

You will be joining in Prof. Nina's office hour room or either one of the TA's room when they dequeue you.

You can do voice or video chats with them in there.
